

CANTA LIBRE  
NEIL DIAMOND

Canta libre, Canta vida, (Sing freely, sing of life)  
De mi madre y mi padre (Of my mother and my father)  
Canta mi corazon (My heart sings)  
Para los niños y sus niños, canta libre (For the children and their children, sing freely)

And I got music running in my head,  
Makes me feel like the young bird flying.  
Across my mind and laying on my bed,  
Keeps me away from the thought of dying.

Canta libre (Sing freely)  
Canta vida (Sing of life)  
De mi madre y mi padre (Of my mother and my father)

And I got music running in my brain,  
Every song with it's own kind of meaning.  
Cleanse my soul and wash away the pain,  
Baptized by the song that you're singing.

Canta libre (Sing freely)  
Canta vida (Sing of life)  
Siempre conmigo (Always with me)  
Canta libre (Sing freely)

Canta libre (Sing freely)  
Para los niños y sus niños, canta libre (For the children and their children, sing freely)  
De mi madre y mi padre (Of my mother and my father)  
Canta libre, y siempre conmigo (Sing freely, and always with me)  
Canta libre, canta libre (Sing freely, sing freely)
