

This video was inspired by and dedicated to May Gómez De Paz and her family.  
Special thanks and appreciation to May and her daughters Kirke and Elora for their translation and devotion which facilitated the creation of this video, for without their dedication this video would not have been possible.

Este video fue inspirado y esta dedicado a May Gomez de Paz y su familia.  
Agradezco muy especialmente a May y a sus hijas Kirke y Elora la traduccion y tambien el cariño con el que han facilitado la creacion de este video, sin su ayuda no hubiera sido posible.

CARMELITA'S EYES

NEIL DIAMOND/D FOSTER/HUMBERTO GATICA (SPANISH LYRICS)

Quizas algun dia la encuentre otra vez alli (Some day maybe I will find her again there)  
En una frontera (At the border)  
Me robo el corazon (She stole my heart)  
Yo sabia que a ella la perdia (I knew I was losing her)  
Vi todoun mundo en (I saw the whole world in)  
Camelita's eyes

She took me somewhere,  
Somewhere that's far beyond  
Was going no where  
And I couldn't go for long

The waitin' and prayin'  
Was makin' me tell myself lies  
And all I could see was my  
Carmelita's eyes  
Vi todoun mundo en (I saw the whole world in)  
Carmelita's eyes

How did I live it before?  
I just don't understand  
Afraid that she'd read me and  
Finally deceive me  
I closed my eyes and I ran  
But I want to be  
Carmelita's man  
Hey! Hey!

Yes, I lost her 'cross the border  
It was higher than I realize  
And I left my whole world in  
Carmelita's eyes  
Vi todoun mundo en (I saw the whole world in)

Carmelita's eyes  
I saw the whole world in  
Carmelita's eyes  
Vi todoun mundo en (I saw the whole world in)  
Carmelita's eyes  
I saw the whole world in  
Carmelita's eyes  
Vi todoun mundo en (I saw the whole world in)  
Carmelita's eyes  
Yes, I saw the whole world ...
