

“I always thought that this would make a good title for an autobiography, but as a songwriter, I was drawn to try it as a song and save all the work involved in writing a book. Well, I learned that a song is one thing and a book is another. I guess I’ll have to write the book now.” - ND

THE STORY OF MY LIFE
NEIL DIAMOND

The story of my life
Is very plain to read
It starts the day you came
And ends the day you leave

The story of my life
Begins and ends with you
The names are still the same
And the story's still the truth

I was alone
You found me waiting
And made me your own
I was afraid
That somehow I never could be
The man that you wanted of me

You're the story of my life,
And every word is true
Each chapter sings your name
Each page begins with you

It's the story of our times
And never letting go
And if I die today,
I wanted you to know

Stay with me here
Share with me, care with me
Stay and be near
And when it began
I'd lie awake every night
Just knowing somewhere deep inside
That our affair just might write

The story of my life
Is very plain to read
It starts the day you came
It ends the day you leave
